

LOXTON PARISH COUNCIL

GRANT AWARDING POLICY

Introduction

Loxton Parish Council awards grants, at its discretion to organisations which need financial support; it will consider applications from voluntary groups and charitable organisations, but not from individuals.

All Parish Councils may incur expenditure for the benefit of the locality for all or some of its residents.

Any application will be considered by the full Council.

The Council reserves the right to refuse any application or to offer a lesser amount than is requested as funds are limited.

A budget for grants will be agreed by the Council as part of the annual budget setting process in December of each year.

- A new application should be made each year for ongoing commitments; this will be considered by full Council on its own merits.
- The Council reserves the right to ask for a refund should the money not be spent on the original stated purpose.
