

LOXTON PARISH COUNCIL

MINUTES OF THE MEETING ON TUESDAY 6th January 2026 AT 7.00PM

In attendance: Chairman Shipton, Cllr Bassett, Cllr Davies, Cllr Eden, and one member of the Public.

The Minutes were taken by Clerk Sally Ferguson. The meeting opened at 7.12 p.m.

55/25 The Chairman welcomed everyone to the meeting.

56/25 Apologies for absence-Unitary Cllr. Tristram cannot attend Tuesday meetings.

57/25 Declaration of Interests – None declared.

58/25 Minutes of Last Meeting – The minutes of the Meeting of the Parish Council on 11th November 2025 were resolved as accurate and signed by the Chairman.

59/25 Public Speaking-

The Chairman closed the meeting at 7.14 p.m. to allow the Public to speak. A resident expressed concern about the roadside wall at Church Farm which had still not been repaired. This poses a hazard to road users, as there is a considerable drop, should a vehicle leave the road. The Clerk would follow this up with the landowner and Highways. The meeting opened at 7.16 pm.

60/25 Planning:

There were no planning applications for consideration.

61/25 Free Trees

Chairman Shipton had emailed and telephoned the Forest of Avon Trust and had had no reply so far.

62/25 Mendip Hills Community Fund

This was discussed and the Clerk was asked to establish if there was scope to apply for a bench for the Parish Acre, or funding for tree planting.

63/25

The Clerk presented the Budget, outlining predicted expenditure to the end of the financial year along with provisional figures for 2026–27. The Budget was balanced, and it was agreed to set the Precept at £7,700.00, representing a 3.4% increase. Based on the provisional figures issued by NSC in December, this would result in a modest annual rise of £2.54 for a Band D property.

The Clerk confirmed that, assuming spending forecasts to 31st March are accurate, reserves will reach the target level of 12 months' average expenditure. From 1st April, the 'Reserves' account will be divided into separate categories: an Election Fund, General Reserves, and the remaining Precept for 2026–27. It remains sensible to retain as much funding as possible in this account, as it accrues interest that helps offset the recently introduced bank charges on the current account.

64/25
